Thursday 5th November 2020

Dear parents and carers,

Please find a letter for your attention from Dean Wallace, the Director of Public Health for Derbyshire. The letter explains Derbyshire's advice in response to the national lockdown from Thursday 5 November to Wednesday 2 December 2020.

Amongst other things, it mentions the actions we can all take to stay safe. One recommendation it makes is that parents and carers wear a face covering when dropping off and picking up children at school:

Dean Wallace says, 'I'd also ask you to consider wearing a face covering when dropping off and collecting your children as an additional measure to help reduce the risk of Covid-19 spreading. This doesn't replace social distancing but is an extra recommendation to reduce the potential risk of transmission.'

Whilst this is something that school cannot enforce, I ask that you consider the request in light of the recommendation above to reduce the potential risk of transmission.

Kind regards

Simon Beahan
