

Dear Parents and Carers,

I am writing to inform you that I have made the difficult decision to close the school today.

Reasons for Closure:

1. **Icy Conditions:** The current icy conditions have made the roads and pathways hazardous.
2. **Staff Travel Issues:** The majority of our staff members are unable to travel safely to school due to these conditions.
3. **Weather Forecast:** The forecast predicts further snow early this afternoon, which could exacerbate the situation and make it extremely difficult for staff to get home.

The safety of the children staff, and community is our top priority. We apologise for any inconvenience this may cause and appreciate your understanding and cooperation.

Please ensure that your child stays safe and warm at home. We will keep you updated with any further developments and information regarding the reopening of the school.

Thank you for your support.

Warm regards,

Mark Knight
